

FIETSVAK 2011

23 – 25 January 2011
Autotron Rosmalen

INFORMATIVE, INSPIRING AND COMPREHENSIVE

As an inspirational trade fair platform for the bicycle industry, FietsVAK 2011 promises to feature a complete exhibition programme, with a focus on innovation and practical tips. Some 6,000 visitors will come together for the latest product news in the industry, making FietsVAK ('fiets' is Dutch for bicycle) the ideal exhibition for both visitors and exhibitors. Moreover, exhibitors will have an excellent opportunity to present themselves, make new contacts and strengthen existing relations.

Due to the success of the previous editions, bicycle professionals from around Europe are sure to be present at FietsVAK 2011. Over 90 percent of visitors to the previous edition indicated that they would return in 2011 to familiarise themselves with the latest products, meet relations, gain a clear overview of the market and make new contacts. In addition to the loyal visitor group from Holland, FietsVAK welcomes a growing number of trade professionals from Germany and Belgium. This is an audience you cannot afford to miss.

Complete offer

FietsVAK 2011 brings together the trade and countless cycling organisations. It offers a comprehensive showcase of Dutch manufacturers, importers, dealers and wholesalers as well as various international companies, retail organisations, workshop and shop equipment businesses and bicycle insurance companies. In short, FietsVAK is a highly professional event that provides exhibitors and visitors alike with an exceptional overview of product and market intelligence.

FIETSVAK 2011

23 – 25 January 2011
Autotron Rosmalen

Ten reasons why FietsVAK is the ideal location to present your latest news

- 1. Many new contacts**
An average of 180 contacts per exhibitor, 40 of which are entirely new.
- 2. Focus on innovation**
Innovation and inspiration with the latest trends and products, as well as new developments in the increasingly important world of E-bikes and E-scooters under one roof.
- 3. Comprehensive industry overview**
FietsVAK 2011 offers a complete overview of the professional market.
- 4. Exchange**
Watch, listen, question, understand: Knowledge exchange contributes to the industry's development.
- 5. Sales**
Nearly 80% of visitors are involved in decisions or are the key decision maker.
- 6. Appreciation**
No less than 87% of exhibitors and 95% of visitors were pleased with FietsVAK 2010.
- 7. Reputation**
Both the trade and news media have shown a great deal of interest in FietsVAK over recent years. Media coverage benefits both the nominees and winners of the Bicycle of the Year Award and the Bicycle Innovation Award, as well as the exhibitors and the industry as a whole.
- 8. New products**
FietsVAK marks the start of the new exhibition season and attracts visitors looking to familiarise themselves with the very latest products.
- 9. Leading industry exhibition**
Over 60% of the visitors indicate that they see FietsVAK as the industry's leading exhibition.
- 10. Starter pavilion**
The platform for new businesses with small stands for small prices.

As an exhibitor at FietsVAK 2011 you will enjoy the following benefits:

- Unlimited number of invitations for your relations via e-mail
- The Knowledge and Innovation square including the Bicycle of the Year and the Bicycle Innovation Award
- Starter pavilion for new businesses
- Free parking for you and your visitors
- Exhibitor party with performance by the FietsBAND
- 250 printed tickets
